**Seville Staffing, LLC makes Staffing Industry Analysts list of Fastest-Growing Firms**

Chicago, IL – September 16, 2015 – Seville Staffing, LLC, a Chicago-based regional temporary staffing services company, has been named to the Staffing Industry Analysts *Fastest-growing U.S. Staffing and Talent Engagement Firms* list. Seville’s impressive 32.5% percent compound growth between 2010 and 2014 put the firm at number 31 out of 102 on the list. The median CAGR for the top ten firms on the list was 61.0% and for the full list was 24.2%.

“It is an honor to be named one of the fastest-growing staffing firms in the US,” says Janet Sloan, President. “This is our third consecutive year on this list, and we constantly striving to be better, as well as bigger.”

The Staffing Industry Analysts list of fastest-growing U.S. staffing firms has been issued annually since 2005 and is based on staffing revenue, which includes temporary staffing revenue, direct hire, retained search and temp-to-perm conversion fees. To qualify for the list, staffing firms had to post at least \$1 million in revenue in 2010 and have compound annual growth of at least 15 percent between 2010 and 2014. A story will appear in the October 2015 issue of Staffing Industry Review magazine.
